

A community-based program helping clients return to their home & community

- Operated by University Health Network (UHN)
- Located at Bathurst St. & Davenport Rd.
- 47 Austin Terrace, Toronto, Ontario, M5R 1Y8
- 75 Re-Integration Unit (RIU) beds

Hillcrest Reactivation Centre helps clients who are/have:

- at-risk-for OR designated as ALC
- a valid OHIP required
- care needs and could benefit from a transitional stay to gain strength and endurance
- can be safely managed in the community (no acute medical needs)
- waiting for:
 - Rehab bed/to be rehab ready
 - Long term care*
 - Private supportive housing (eg. Retirement home, assisted living)
 - Extreme cleaning, minor home modifications/renovations
 - Availability of community support
